

The
LIVINGSTONIA
BEACH HOTEL

Though it is not possible to improve on Nature's masterpiece, THE LIVINGSTONIA comes close to it. Elegant, supremely comfortable accommodation, the very best of local cuisine, an oasis of cool and quiet in the beautifully tended gardens, unobtrusive service and the wonderful warmth of traditional Malaŵian hospitality, take this undiscovered heaven to a new level of perfection.

At THE LIVINGSTONIA, the only sounds to echo across the pastel perfection of the dawn are the baunting cries of the fish eagles and the rhythmic lapping of the waters of Lake Malaŵi. THE LIVINGSTONIA is a secret known only to a fortunate few.

Here all the wild, romantic beauty of Malaŵi enfolds you. In the seclusion that the hotel affords, take your own time to capture the essence of Africa that permeates this idyllic spot. Paradise is very close at THE LIVINGSTONIA.

At THE LIVINGSTONIA, conventional time is forgotten as the rhythms and harmonies of nature lull you into a state of total relaxation, heightening your perception of the wonders that surround you.
